A WORD FROM THE BENEFICIARY

Active Learning Libraries – South Africa (ALL-SA) is the proud beneficiary of the **Celebrity Scrabble Challenge**, the brainchild of HHP.

We feel both lucky and privileged to be the beneficiary of this event, especially because it fits perfectly with our philosophy of building skills and knowledge through toys and games.

Our grateful thanks to all the **celebrities** that are giving up their time to be a part of the event and to the **sponsors** that are helping us to achieve our vision of **“A quality active learning toy library within reach of every child”**. A special thanks to **5FM** for “powering” the event.

LET'S PLAY!!
