You can help us in the following ways:

- Financial donations that will help us to continue and extend our “Come & Play” toy library (12, 803 visits by children in 2009), outreach and advocacy projects. Play sessions are free.
 The infra-structure works out at R50.00 per child.
- Donations in kind like toys, games and children’s books in good condition that we can use ourselves or pass on to other toy libraries or crèches serving poor communities.
- Volunteers to knit finger puppets that we can give to children to take home. We have an easy pattern.
- Dress-up clothes for our make believe play section – the children love to be “someone else” for a while.
- Volunteers to repair toys for us. Specialised skills like carpentry are often needed.

We value your support of and interest in our work.
