

**A L L** children  
are welcome!

The Toy Library has toys and games for children of all ages from easy to challenging.  
**Children learn while having fun.**

**The toys develop:**

- Large and small muscle coordination
- Skills needed to make learning to read easy
- Listening and language skills
- Problem solving skills

**Using games children can practice:**

- Reading and spelling
- Maths

Toy librarians guide the children in play and encourage play with many different games to develop all their skills.

Play between parent and child is encouraged. Help your child to get ready for school by coming to play with the right toys every week.

Sponsored by the National Lottery Distribution Trust Fund

- There is no charge for visiting the Toy Library.
- The Come and Play Toy Library is not a day care centre or an after school care centre.
- Play sessions are up to two hours.
- Children under 7 must be accompanied by an adult or responsible older child.
- Children must be registered. Please fill in and sign the registration form.
- Groups are welcome – up to a maximum of 30 children at a cost of R5 per child.
